CHAPTER 1. INTRODUCTION

FOREWORD

This Handbook of Procedures is compiled as a guide for state officers, state board members, committee chairs and local organizations (LOs) of the Florida Federation of Business & Professional Women's Clubs, Inc. (BPW/FL), in conducting the business of the Federation. (See BPW/FL Bylaws for additional information.)

NATIONAL FEDERATION HISTORY

In early 1917 as the United States of America mobilized for World War I, the government found that women were organized in religious, cultural and social groups, but not in overall business and professional groups. The War Department established the War Work Council to further organize the efforts of women with the help of executives from the Young Women's Christian Association (YWCA) and \$65,000 in government funds.

The Council gathered information about women trained in all disciplines and subsequently invited two women prominent in their chosen fields from each state east of the Rockies to meet in New York City in May 1918. The National Business Women's Committee (NBWC) was formed, consisting of 25 delegates to this original meeting. The Committee called for an immediate survey of the Pacific Coast (since only one representative from that area was present) and for an Executive Secretary who could give her entire time to further the interests of the new organization.

After the Armistice was signed, NBWC members refused to let the project die. The Secretary of War agreed that the classification and organization of trained women should be continued as a postwar project; an office to carry out this assignment was set up at the YWCA in New York City. The NBWC divided the country into five districts and named an organizer for each; a public relations office was set up and a tentative constitution drafted. By March 1919 the NBWC was ready to recommend the establishment of state Federations and to call for a meeting of delegates from the states at a national convention to be held in St. Louis in July 1919 with the objective of founding a permanent national organization. Time and place of the organizing convention had been set to coincide with a convention of the Women's Association of Commerce with the thought that the two groups might merge. This did not materialize when it became apparent during meetings between representatives of the two groups that their objectives differed.

As the convention progressed, President Woodrow Wilson and other national leaders wired congratulations to the delegates; fourteen cities sent bids for the next convention. By the third and final day delegates had agreed on the new organization's name: National Federation of Business and Professional Women's Clubs (BPW/USA). Delegates then adopted a new constitution and elected the first National President.

From 1919 to 2009, BPW/USA was a leading voice and advocate for working women. In July 2009, BPW/USA voted to merge its operation with BPW's Foundation, which is the education and research arm of BPW/USA focusing on scholarships for women seeking career advancement in non-traditional areas, and funding research on issues that impact working women. Through its groundbreaking research and unique role as a convener of employers and employees, BPW Foundation strives to redefine today's workplace.

In September 2009, the BPW/FL Board of Directors voted to continue an affiliation with BPW Foundation and support its efforts on behalf of working women.

THE COLLECT

Mary Stewart wrote the Collect in 1904 as a member of the Fortnightly Club, the forerunner of the Longmont (Colorado) BPW Club. The Collect was written as a prayer to instill a sense of unity among women working together with wide interests and important goals. The author signed the Collect with the pen name, Mary Stuart, which she used until 1910. She worked for women's suffrage nationally and attended the meeting in St. Louis in 1919 at which the National Federation was launched. She was elected its first Corresponding Secretary and took an active part in the growth of the young organization by serving as chair or member of various national committees. Mary remained involved with BPW until her death in 1943.

Keep us, oh God, from pettiness;
Let us be large in thought, in word, in deed,
Let us be done with faultfinding and leave off self-seeking.
May we put away all pretense and meet each other face to face
Without self-pity and without prejudice.
May we never be hasty in judgment and always generous.
Let us take time for all things;
Make us to grow calm, serene, and gentle.
Teach us to put into action our better impulses,
Straightforward and unafraid.
Grant that we may realize it is the little things that create differences,
that in the big things of life we are at one.
And may we strive to touch and to know
The great common human heart of us all, and
Oh, Lord God, let us forget not to be kind!

THE EMBLEM

In February 1921, under the leadership of Lena Lake Forrest, second National President, the committee selected from a number of designs the one we now use.

In our emblem we embody the symbols of courage, culture, power, law truth, love—foundation stones.

TORCH, symbol of light, wisdom, principle, leadership - such leadership as has been shown by the founders of our Federation, those pioneers who by loyalty, self-sacrifice and devotion have brought us to the light and have placed upon us the obligation to light the path for those coming after.

WAND, winged victor of Mercury, herald of a new day for women, and symbol of opportunity, equality, cooperation and coordination of effort, healing, harmony, and power.

SHIP OF COMMERCE, typifying the entrance of women into business, expansion of opportunities until there now remains practically no door closed to the prepared woman. Symbol of activity and growth, economic independence, adventures in friendship abroad, making it possible for us to know the women of other countries and to work with them

for our common interest, promoting international understanding, working together for peace.

SCROLL of achievement, begun in 1919 and still unrolling. Here we can record our efforts and accomplishments toward “leadership in thinking on economic problems” and the “establishment of conditions which assure to women and men as well, the fullest possible opportunity and regard for the development of whatever capacities they may possess.” The scroll is a symbol of expression, self-improvement, knowledge, and responsibility. Here, we are writing our Federation history – recording our support of the participation in movements toward social, civic, and political betterment. The **SCROLL** expresses our faith, ideals and achievements, and denotes our obligation to the future.

NIKE, the Winged Victory and Samothrace, symbol of strength, progress, freedom, triumph, facing squarely the winds and waves of prejudice and other limitations. She is represented standing alert on the prow of a ship, courageously breasting the elements, even as women coming into their own in business and the professions, overcoming all obstacles, perhaps slowly, but surely.

FLORIDA FEDERATION HISTORY (BPW/FL)

BPW/FL was organized at a convention held at Atlantic Beach, June 6-7, 1919, with the Jacksonville Business and Professional Women’s Club as hostess. One month later, five Florida delegates attended the organization meeting of the National Federation (BPW/USA) in St. Louis.

Florida was the first Southern state to affiliate with BPW/USA. At the first annual convention held in Tampa in 1920, one of the issues discussed was to propose legislation to make the University of Florida co-educational. Women’s suffrage was also discussed. BPW/FL incorporated in May 1948.

In 1965, BPW/FL founded its Education Foundation with a goal of raising funds to build scholarship houses on Florida’s university campuses to house deserving female students.

In 1979, BPW/FL founded its Political Action Committee (BPW/PAC) to endorse candidates who support the BPW/FL legislative platform. Historically, BPW/FL has been very politically active.

Some legislative victories include:

- Legislation allowing women to serve on juries;
- Legislation making it possible for all women to have mammograms;
- Legislation to license and regulate the x-ray machines used for mammograms;
- Successfully campaigned for the state constitutional amendment to add “women” to our state constitution.

In 1972 a state flag was adopted, designed by Peggy Hand of the Lakes of Leesburg Club.

The Complete Woman

In 1975 “The Complete Woman” by Kathy McDaniel was adopted as the official Woman of the Year Poem.

With warmth and grace, poise and style

She comes before us now,
“The Woman of the Year” AWARD!
She stands and takes a bow.

The Woman is a human;
A leader and a guide.
Yet, her devastating tenderness
Never falters or subsides.

She’s chosen by the others
Who feel she’s earned her way
To fame and achievement...
We honor her today.

Congratulations, Woman!
You’ve won your title fair.
May your ventures throughout life
Bring our praises everywhere.

- Kathy McDaniel

State Colors

The official state colors were blue and gold until 2005, when BPW/USA adopted a new logo and colors and encouraged all state Federations and LOs to utilize the new brand.

State Tree

The Sabal Palm was adopted as the State Tree by the 1953 Conference.

DIVERSITY STATEMENT

BPW/FL seeks a diverse and inclusive membership. There shall be full participation, both in principle and practice, regardless of race, gender, age, national origin, sexual orientation, career choice or disability. BPW/FL shall commit time and resources to achieving diversity by:

- Formulating and implementing a plan to achieve diversity through recruitment of members from underrepresented groups
- Creating an environment where differences of opinions, beliefs and values are sought, heard and respected.
- Encouraging teamwork and participation by all members, thereby eliminating hidden agendas.
- Setting an example in its leadership that adheres to the highest principles of and commitment to diversity

BPW/FL believes that this practice of appreciating and celebrating diversity will strengthen the status of women and their families and that it is vital to the organization’s vision and mission.

BPW/FL CULTURE STATEMENT

We approach what we do with a positive attitude in a business-like and professional manner. Taking responsibility and holding ourselves – and each other – accountable is a vital part of “who we are”. We respond promptly to situations with honesty and integrity. We will not engage in gossip, negativity, bullying or avoiding responsibility. These types of behaviors have no place

in BPW. Members are generous, not only of money, but also of praise, time and talents. We respect different perspectives, lifestyles, cultures, ethnicities, religions and politics. We treat others as we hope to be treated. BPW is a safe place to learn and develop new skills and conversely to assist others in that journey.

CHAPTER 2. BPW/FL STRUCTURE

BPW/FL OVERVIEW

BPW/FL is made up of all chartered local organizations (LOs) in Florida. The State President speaks for BPW/FL and is responsible for implementing policies and programs throughout the state.

Elected Officers (Also see Bylaws, Article IX)

The officers of BPW/FL are: President, President-Elect, Vice President, Secretary, Treasurer and LO Council of Presidents Delegate.

Board of Directors (Also see Bylaws, Article XIII)

The Board of Directors consists of elected state officers, state standing committee chairs, Immediate Past State President and the presidents of the LOs.

Local Organizations (LOs)

LOs, which consist of at least five (5) members, are the basic units of BPW/FL. The purpose of the LO is to pursue the objectives of BPW/FL by promoting its programs and projects.

Each LO adopts its own bylaws, which must not be in conflict with the state bylaws, policies or procedures. In addition, the BPW/FL Bylaws Committee adopts “model” LO bylaws to be used as a guideline. Certain provisions are designated as “mandatory” and must be included in the local organization’s bylaws.

The president of each LO is a member of the state board of directors and should attend state meetings to represent the LO. If unable to attend a state board meeting, the LO president shall designate in writing a LO member as an accredited voting representative. The designated representative shall present the authorization letter and the appropriate credentials to the Credentials Chair at registration. E-mail and facsimile transmissions are acceptable forms of authorization.

The LO president, before going out of office, shall forward one copy of the president’s annual report to the state president by 30 days before the annual state conference to be included in the official state files. One copy of each report should be retained for the LO files. LO standing committee chairs will forward one copy of their annual report to the corresponding state chair by 30 days before the annual state conference.

The retiring LO president and officers shall brief the newly elected LO president by providing all information concerning matters that will be considered at the annual state conference. The newly elected LO president attends the annual state conference as the local organization’s official representative and serves as a member of the BPW/FL Board of Directors until the next annual state conference.

The names, addresses and phone numbers of the LO officers, standing committee chairs and special committee chairs shall be submitted to the State Business Manager on the appropriate form, see BPW/FL website, no later than July 1.

The LO president shall give the BPW/FL Tribute Chair the names of deceased members so that they may be included in the memorial at the annual state conference.

Organizing New LOs

Plans for the formation of a new LO shall be communicated to the State Membership Chair before any organizational work is done. The State Membership Chair is responsible for furnishing a new LO kit as well as for directing the assistance and guidance provided to the new LO from the state.

A chartered LO sponsoring a new LO should continue its assistance until orientation in BPW/FL procedures and policies has been completed.

CHAPTER 3. MEMBERSHIP

GENERAL POLICY

Membership in an LO, or as a member-at-large, includes membership in BPW/FL and the BPW/FL Education Foundation.

Membership can be held in more than one LO. The member must designate the primary LO through which BPW/FL membership is counted. Dues paid to the primary LO should include BPW/FL dues, which are collected once a year from each member regardless of the number of LO memberships held by the member.

A member may hold office or serve as a committee chair in any LO to which local dues have been paid. Any member in good standing who is affiliated with more than one LO may only serve as a representative of their primary LO.

NEW MEMBER POLICY STATEMENT

Criteria for membership are that the applicant support the mission and objectives of BPW/FL and pay appropriate dues. (See also Bylaws Article V)

Every applicant becomes a member upon meeting the above criteria.

STUDENT MEMBER

A student member is one who is enrolled in college or a university or any other accredited educational institution above the high school level.

(Note: Student membership is not mandatory at the LO level. LOs having student members should make provisions for membership privileges. As an example, LOs may wish to spell out that only full-time students are eligible for student membership; or that only non-working students are eligible for student membership; or whatever criteria the LO deems appropriate.)

MEMBER-AT-LARGE

The member-at-large category is designed for the individual who supports the mission and objectives of BPW/FL but chooses not to join an LO. A member-at-large is eligible to hold office at the state level. However, in order to be eligible for the offices of President, President-Elect and Vice President, a member must meet the eligibility criteria outlined in Article IX of the BPW/FL Bylaws.

HONORARY OR LIFE MEMBER

Honorary or life membership may be conferred by a LO providing:

- LO bylaws provide such membership;
- The individual is eligible to become a new member;
- The LO is responsible for annual state dues for the member.

MEMBER RESPONSIBILITIES

Each member is responsible for notifying the BPW/FL Business Manager of any change in their contact information, i.e., name, mailing address, phone, email address, by completing the form on the BPW/FL website.

CHAPTER 4. MEETINGS (See Bylaws Article XVII for additional details)

ELECTRONIC MEETINGS (See Bylaws Article XVII, Section 1)

BPW/FL Bylaws provide for meeting via teleconference or other electronic means as long as the minimum criteria outlined in the bylaws is met. With members located throughout the state, electronic communications and teleconference meetings allow cost effective ways to accomplish necessary tasks.

CONFERENCE FINANCING

The state accountant serves as conference treasurer and dispenses all funds for the conference, with approval of the conference chair and State President.

It is suggested that a budget be prepared as a guide for estimated receipts and expenditures in order that funds may be provided for all necessary conference expenses. The conference chair prepares this budget with the aid of the State President, state treasurer and state accountant.

The State Business Manager accepts a registration fee from all persons attending the conference and money from sponsors as well as funds allocated in the state budget for the purpose of defraying the conference expenses. The State Business Manager prepares a list of attendees and a list of members in good standing and provides them to the Registration Committee to use for checking in attendees.

The conference chair must provide the state treasurer with a completed expense voucher and/or supporting documentation approved and signed by the State President for conference expenses within 30 days of the close of a conference.

The registration fee is expected to cover all conference expenses including, but not limited to, the following items:

- Printing of the conference program;
- Printing of all Executive Committee, standing committee, special committee, presidential appointee and any other reports that are to be included in the program packet;
- Expenses for the facilities;
- Expenses of display room materials and space;
- Provision for voting, such as printing of ballots and providing facilities; and
- Speaker expenses.

A “late” registration fee will be stipulated on the registration form for registrations received within a specified number of days before the conference. The late registration fee will offset last-minute coordination efforts by the committee. An “on-site” late registration fee may be stipulated on the registration form to offset site printing, badge preparation, etc.

Requests for refunds of registration fees can be made to the Conference Committee. The deadline for refund request is five (5) days before the date of the meeting. Exception to the five (5) day deadline would be for any member who is unable to attend due to an immediate family or personal emergency, and these exceptions should be reported and requested within fifteen (15) days after the state meeting. The refund, should funds be available, is limited to 80%.

The registration fee may be reduced or waived for a maximum of two (2) students from BPW/FL scholarship houses or housing scholarship recipients so that they may attend the annual state conference. The fee reduction or waiver is decided by the BPW/FL president and conference chair and is based on whether the conference budget can support such a reduction or waiver.

All monies for this function shall be deposited and paid from the BPW/FL operating checking account. A detailed income and expense report, prepared by the state treasurer with the assistance of the state accountant, shall be made to the current State President and immediate past State President, State Business Manager and conference chair within sixty (60) days after the conference.

ELECTIONS

Article XI of the BPW/FL Bylaws require that if there is more than one nominee for any office to be filled, that election shall be by ballot. The State President shall name a chair of elections and tellers. The elections committee consults the conference chair about a suitable room for elections. If possible, it should have two distinct doorways, one to serve as an entrance to the polls, the other as an exit. The elections committee arranges for ballots and ballot boxes with booths or tables for marking ballots. The elections chair is provided with a list of accredited voting members by the credentials chair and this list is used as a check in providing the ballots. Members of the committee serve as doorkeepers and tellers.

The Executive Committee determines the hours the polls shall be open for election. At the conclusion of voting, the elections chair reports the results of the voting to the annual state conference body and delivers the ballots in a sealed envelope to the state secretary.

The report shall include:

- 1.) Total number of votes cast.
- 2.) For each office -
 - a. number of votes cast
 - b. number of votes necessary to elect
 - c. number of votes received by each candidate, listed in order of most votes received

The elections chair submits the report to the State President, who reads the report, declaring in each instance the elected candidate. The State President will only reveal the number of votes received by the elected candidate if requested by the unsuccessful candidate(s). The report shall never state who is elected, as the tellers have no authority to decide that question.

FALL CONFERENCE

A conference may be held in the fall of each year. It shall not be scheduled for the weekend prior to Election Day. The fall conference shall include workshops, discussions, reports and speakers of prominence. In addition, items of business, including a review of and amendments to the BPW/FL budget and the state public policy platform may be considered by the Board of Directors, if necessary. All members of BPW/FL are encouraged to attend and participate in the discussions. Guests and/or prospective members are encouraged to attend.

BPW/FL maintains "Model Local Organization Bylaws" (Model LO Bylaws) to serve as a guide for LOs when amending or revising their bylaws. Model LO Bylaws, which may be found and downloaded from the BPW/FL website, contain suggested and mandatory policies as well as mandatory wording. The mandatory wording is underlined in the Model LO Bylaws. When BPW/FL Bylaws are amended, the changes go into effect immediately unless stated otherwise and Model LO Bylaws are amended to reflect any changes in mandatory wording.

The procedure for requesting approval of LO bylaws is as follows:

BPW/FL Bylaws Chair, along with the bylaws approval sheet signed by the LO President and attested to by the LO Secretary verifying their approval by the LO membership;

All expense reimbursements shall be requested using the current expense voucher, located on the BPW/FL website, with a copy of bills or receipts attached. Due to audit requirements, no reimbursements will be made without an expense voucher and documentation. When requesting reimbursement for mileage, documentation of mileage must be submitted; a copy of the mileage from a computer-generated program such as Google Maps or MapQuest would meet this requirement.

Policies on expense accounts include:

RECORD RETENTION

BPW/FL financial statements and BPW/FL membership, Board of Directors, and Executive Committee meeting minutes shall be retained for seven years and will be stored in a cloud account. Older documents will be taken to the archives in Tallahassee.

CHAPTER 10. PUBLIC POLICY ACTIVITIES

NON-PARTISANSHIP

LOs do not endorse candidates; that is the responsibility of BPW/FL PAC. LOs should remain non-partisan in all their proceedings. This means when inviting speakers, whether or not they are candidates for office, LOs should attempt to have all sides represented. If the speaker is a candidate, but has not been invited to speak as a candidate, their campaign literature should not be distributed.

PUBLIC POLICY DAY

A BPW/FL Public Policy Day in Tallahassee will be observed when deemed necessary based on legislative emphasis. The State Public Policy Chair, with the approval of the Executive Committee, will coordinate activities. By action of the 1953 Conference, Legislative Day was established.

LOBBYING

BPW/FL is active in public policy affairs and under the direction of the Public Policy Committee, members are kept informed of issues of interest. In addition to BPW's grassroots lobbying, the services of a lobbyist may be contracted by the Executive Committee. The lobbyist's activities shall be directed by and coordinated with the Public Policy Chair, who is the lobbyist's liaison to the Executive Committee.

BPW/FL POLITICAL ACTION COMMITTEE

The BPW/FL PAC is a political action committee to endorse candidates running for state office, including judicial candidates, who support the BPW/FL Public Policy Platform. The President appoints the chair, to work with a committee of four (4) members, representing both major political parties. The Public Policy Chair and lobbyist are ex officio members of this committee. The BPW/FL PAC is governed by its own rules, which are approved by the BPW/FL Board of Directors, and by the Florida Election Statutes and the Division of Elections. Financial reports are given at the annual state conference and filed with the state of Florida as required.

Candidates being considered for endorsement, with the exception of judicial candidates, must ensure their support of BPW/FL's Public Policy Platform.

The committee advises the State President of candidates who have been endorsed.

STATE PUBLIC POLICY PLATFORM

The BPW/FL Public Policy Platform shall contain no more than five (5) action items. These action items require that a concerted and continuing effort be made to have bills introduced covering these items, monitoring of bills during the legislative session and support of the membership to ensure their enactment into law. The BPW/FL Public Policy Committee, BPW/FL Lobbyist and members work together to achieve our legislative goals.

A BPW/FL Public Policy Platform committee meeting shall be held at least 70 days prior to the annual state conference. The Public Policy Committee members will present information on each of the items on the proposed platform to the Executive Committee. After approval by the EC, the Public Policy Platform shall be posted on the BPW/FL website for review by all members, and included in the annual state conference packet. The platform is presented at the annual state conference for adoption by the membership. The approved Public Policy Platform shall be published in the post-conference issue of *Florida Business Woman* and posted on the BPW/FL website.

After approval of the platform, no LO can use its name to work against any item on the platform. However, no member or unit is required to work for an item with which it does not agree.

RED PURSE CAMPAIGN

Pay equity was a primary issue when BPW was founded in 1919; it remained so in 1989, when women were making 69 cents for every \$1 made by a man. Conceptualized in 1987, BPW's pay equity focus used the "BPW" letters to represent "Better Pay for Women." Carrying a red purse soon became the visible symbol of economic equity for women. Since pollsters had forecast the decisive role of women in the 1988 election, all political camps became interested in capturing the "women's vote." BPW capitalized on the red purse theme, "Vote Your Purse For Real Change" at the polls. National media attention was given to the red purse; BPW members carried the red purse as a visible symbol of economic inequities; speakers everywhere received red purses and totes and lapel pins showing the red purse (pocketbook) symbol, including then-Democratic Vice Presidential candidate Lloyd Bentsen and Republican Presidential candidate George Bush, both of whom spoke to the Albuquerque convention in July 1988.

CHAPTER 11. NOMINATIONS AND CAMPAIGNING

Each candidate whose candidate data has been submitted to the Chair by the submission deadline may have a statement and picture published in the convention issue of *Florida Business Woman*. The FBW editor may establish length requirements for the submission.

The Chair shall send a request for nominations and candidate data forms to each LO president by a deadline to be established annually by the Executive Committee. Submission deadline for nominations shall be no later than March 30.

The Chair shall prepare a slate of nominees and present only nominees who have submitted the candidate data form and given consent to serve if elected.

The Chair shall post the names of the nominees, together with brief statements of experience and qualifications of each, outside the conference hall by the opening of the annual state conference. The report of the Chair shall be made at the first business meeting of the conference.

Nominations may also be made from the floor, provided the nominee has completed the candidate data form.

The Chair shall facilitate a candidate forum during a regular business session at a time between the close of nominations and before elections. During the forum, candidates shall have the opportunity to respond to members' questions.

In order that the promotion of candidates shall be in keeping with the high standards of BPW/FL, the Code of Ethics For Campaigning shall be followed:

3. Any entertainment honoring candidates shall be simple and shall not interfere with the meetings or business.
4. Members may wear campaign material on their persons, purses or folders. No giveaway items of any kind shall be permitted.

5. Any individual is free to speak to others on behalf of the candidates but good taste precludes speaking in opposition to any candidate.
6. Members should be free to support candidates on the merits of the candidates themselves, and not be bound by the instructed vote of their LO if instructions should be in conflict with their findings upon learning the qualifications and meeting the candidates at the annual state conference.

CHAPTER 15. SPECIAL ACTIVITIES

NATIONAL BUSINESS WOMEN'S WEEK

The third full week in October is observed as National Business Women's Week by BPW Foundation, state BPWs and BPW LOs and by many other cooperating groups and the news media.

The objectives are to:

- Publicize the achievements of business and professional women everywhere, on the local and state levels; and
- Publicize the objectives and programs of BPW/FL as they relate to all employed women.

National Business Women's Week is a nationwide salute to the achievements of all workingwomen. The President of the United States customarily opens the week with a message, and many governors and mayors issue similar messages. BPW/FL's goal of elevating the standards for business and professional women is particularly emphasized.

National Business Women's Week is a time for cooperative planning with other organizations, when BPW LOs initiate and sponsor programs to encourage all career women's groups in their communities to emphasize the increasing importance of women to the nation and its business and professional life.
